

## STUDENT ATTENDANCE ACCOUNTING

As required by state law, the Director will be responsible for an accurate record of the attendance or nonattendance of all students who should be enrolled in school. School resource officers and juvenile corrections agents will also be notified as necessary when children who are required by law to be enrolled in school do not attend, or when their attendance is irregular.

Adopted: December 19, 1989

Revised: July 16, 2014
