

1002
Creation, Amendment, and Distribution of Board of Education Policies

Each of these policies shall become the official policy of Teachwell when the board has approved it by majority vote of the members present at any lawfully convened meeting of the board.

It shall generally be the practice of the board to adopt or amend any policy after a single reading at any regular or special board meeting. However, the board may, in its discretion, review policies at multiple meetings prior to taking action.

Each policy shall bear the date when it was adopted, revised or reviewed.

The Director shall distribute copies of these policies to all members of the board, maintain a master copy in the central office, and see to it that the policies are maintained on the school district's website.

The board may update or add policies as needed. The Director shall maintain an up-to-date master copy of the policies in the main administrative office. Unless otherwise directed by the board, the master copy shall be considered the official district policy manual.
