

3028 Sex Offenders

The safety of the students attending school is very important to the board. School employees, parents, and students should be aware of dangers posed by sex offenders living within the school district, and should be vigilant in providing protection against these dangers.

The board does not generally permit registered sex offenders on school grounds, at any school sponsored activity, or on any property under the control of Teachwell. The director or his/her designee is hereby empowered to notify sex offenders of this policy and to grant limited permission to attend certain activities on a case-by-case basis.

Students who are registered sex offenders shall not be precluded from receiving a free education from Teachwell on that basis. Teachwell will consider a student's status as a registered sex offender in determining the student's educational placement and program.
