

5023.3
Lice and Nits

Students found to have head lice or nits may be sent home. Upon discovering the presence of any indication of lice or nits, the student's parent(s) or guardian(s) will be notified, and if appropriate will be asked to pick up the student from school.

Teachwell Solutions may require the student to remain home until Teachwell Solutions finds that no live lice or nits can be detected. The parent(s) or guardian(s) may be required to treat the student.
