Student Driving and Parking

Students who drive to school are required to park their vehicles and leave them unoccupied until it is time to drive home. The speed limit on Teachwell property is 5 miles per hour. Students may not drive or have access to their vehicles during the school day without the express permission of Teachwell Solutions administration.

Students are to park appropriately and in the assigned areas on school property. Student parking shall not be permitted in bus loading zones. When the buses are loading or unloading, all vehicles must stop and wait for the loading or unloading process to be completed.

By driving a vehicle to Teachwell Solutions facilities and parking on these facilities, students consent to having that vehicle searched by Teachwell Solutions officials if the officials have reasonable suspicion that such a search will reveal a violation of school rules.
