

6004 Curriculum Development

The Director or his/her designee shall be responsible for providing and directing system-wide planning for curriculum, instruction, assessment and staff development.

The standards shall be the same as the measurable model academic content standards adopted by or required by the State Board of Education and shall cover at least the same grade levels required by the State Board. The curriculum shall be articulated to include all programs and grade levels offered within Teachwell. All professional staff members are responsible for implementing the curriculum.

The Director or his/her designee will present this curriculum to the board for approval or modification.

Teachers are responsible for following the curriculum and teaching the written curriculum. Principals are responsible for monitoring the curriculum and evaluating teachers to ensure that they are teaching in compliance with the curriculum guides and written curriculum. The Director and his/her designee shall ensure that principals monitor the curriculum and evaluate teachers.
