

## **3056 Guest Speakers**

The board recognizes that guest speakers with demonstrated expertise in areas of interest to Teachwell and its students may enrich the students' educational experiences. Teachwell has adopted this policy to ensure that the messages provided by outside speakers do not conflict with Teachwell policies, the fundamental values of a public school education, or the legal limitations placed on public entities. Individuals who wish to invite a guest speaker must follow the procedures outlined below.

**Classroom or Teachwell-Sponsored Activity Guest Speakers.** Teachers or activity sponsors who desire to invite a guest speaker to address his or her class or activity members must obtain prior approval from the building principal or Director. The teacher must research the guest speaker, have a clear understanding of the guest speaker's purpose and message, and determine that the speaker's message complies with Teachwell's policies and fundamental values.
