### School Calendar/Transportation

Attached/enclosed is the school calendar which indicates the number of days we are in session. The first day of school for the students is August 23rd. You will follow your district's cancellation policy when school is canceled (due to no means of transportation), late start, or early dismissal. Your home district Special Education Director or Transportation Director will coordinate with you regarding transportation to/from Teachwell. Please make sure you contact your district in the next couple weeks to confirm transportation. Please note, Teachwell's school calendar may be slightly different than your home district calendar. On days in which Teachwell is in session and your home district is not, the student will attend Teachwell. If Teachwell is off and your home district is in session, your student will have those days off. Please review the attached calendar and let Tyler, Katie, or PK know if you have any questions.

We are unfortunately not able to go back and change the price after the meal has been purchased so please return these forms prior to the start of the school year. As always, students may also pack their own lunch/snacks to be stored/prepared at Teachwell as well.

### Medications

If your student requires medication that will need to be administered at school you will need to fill out the attached prescription medication forms and return them to Teachwell.

### Weather/Dress Attire

Proper attire is to be worn at school by all students to foster an environment conducive to learning. It is important for students to observe basic rules of personal hygiene and dress in a manner that would not disrupt the educational process. With those guidelines, students need to be mindful of the South Dakota seasons too. We understand weather is unpredictable in South Dakota but preparation is key to survival in our lovely state: be prepared for those rainy days, be prepared for those chilly/snowy days, and be prepared for those hot, humid days.

On behalf of Prosper Day School, we want to thank you for your support and collaboration in setting realistic and achievable goals for 2023-2024. We look forward to a year of growth!
