

Welcome to Teachwell Thrive!

Dear Students and Families,

Whitley Heubrock
Special Education Teacher,
MA, CESP

On behalf of the staff at Teachwell, it is our pleasure to welcome you to the 2024-25 school year and thank you for being a part of Teachwell Thrive. Along with the two of us, Drew Klemme and Tiana Menke will be returning as Success Coaches. We are thrilled to welcome Kara Peterson to our team as a Success Coach this year as well. At Teachwell Thrive, our goal is to equip students with the life skills and job training necessary to cultivate confidence, independence, and self-determination. We work along public service agencies and inclusive community employers to create a supportive environment that prepares students for life after high school. We are eager to welcome your student for the new school year! The 2024/2025 school year will begin Wednesday, August 21st.

A few reminders: transportation will be provided to and from the Teachwell building by your home school district. Students can be dropped off between 8:00-8:30am and picked up between 2:45-3:00pm. Transportation during the day will be taken care of by Teachwell staff. Lunch will be available for purchase Monday-Thursday from the Sioux Falls School District or the student can bring their own lunch. We will cook as a class each Friday. The form needed to purchase school lunch will be sent home the week before school starts. Please be sure to return this form on the first day of school.

Please reach out with any questions you may have. We look forward to working with your student this school year! You can reach us via call or text (605) 679-0082 or send an email (whitley.heubrock@teachwell.org; rebecca.thompson@teachwell.org). We will be checking our emails and phone periodically. We are including the student information form that we ask to be returned on the first day of school. We are also including the school calendar as well as a Special Diet form and Medication Administration form. Please return those forms on the first day of school if they apply to you. As always, reach out with any questions you may have.

Rebecca Thompson
Special Education Teacher,
MA, CESP

See you on August 21!

Whitley and Rebecca
