

Make a note of these addresses and phone numbers

Teachwell Thrive understands the importance of clear and regular communication with students and families. Add the following information your student's contact list. Adding the phone numbers to your mobile phone contacts will help you recognize when Team Teachwell is trying to call or send a text message.

- School Mobile Phone Number to Report Absences: 605-679-0082
- School Main Phone Number: 605-367-7680
- School Address: 715 E. 14th Street, Sioux Falls, SD 57104
- School Fax Number: 605-367-6036

Stay tuned for school lunch information

Students may bring a lunch to school. School nutrition options, including breakfast and lunch, will be available. We are still waiting for final information about school nutrition prices for the 21-22 school year. Please look for an email on that topic prior to the start of school.

It is important to let us know if a student will not be in school

At Teachwell Thrive, demonstrating responsibility is important. If a student will not be in school, the student should contact our success coaches by 8:00 am. You can call or send a text message to the Teachwell Thrive mobile phone at 605-679-0882.

If your local school closes due to weather, students stay home

Teachwell Thrive provides a calendar that lists planned school closures for the year. When weather or other events cause your local school district to close, start late or dismiss early, Teachwell Thrive students follow the direction of local school transportation schedules.

Wear clothes that support learning and working

At Teachwell Thrive, our goal is to equip students with the life skills and job training necessary to succeed in life after high school. When getting ready for each day, please keep in mind that good personal hygiene and wearing clean clothes are important. Students should also be mindful of the weather; be prepared for rainy days, snowy days or those hot, humid days!

Note on programming structure

Students will start work in October.
