A New School Year with New Opportunities

Dear Students and Families,

On behalf of the staff at Teachwell, it is my pleasure to welcome you to the 2021-2022 school year.

Project SEARCH will begin Monday, **August 23rd** at 8:15 am. Matt Thompson will be waiting for you at the front of the Avera McKennan North entrance, 911 E 20th Street. He will take everyone to the classroom.

Since this is a bit of a different year, there are a few other things you need to know before school starts.

COVID-19 Precautions

All persons entering Teachwell buildings will be required to either:

1. Provide proof of full vaccination (2 doses of Pfizer or Moderna or 1 dose of Johnson & Johnson with at least 2 weeks passing since the final dose); or
2. wear a face covering over nose and mouth

Work Attire for SEARCH

The Project SEARCH uniform is:

- Khaki or black pants. No capris, shorts or sweatpants are allowed
- A green or black shirt polo with a collar
- Polo shirts (with or without Avera emblems) are the only shirts that can be worn for Project SEARCH.

Shoes need to be comfortable closed toe shoes. Remember that you may be working and standing on your feet for 5 hours. No sandals or flip-flops are allowed.

Lunch

Lunch may be brought or bought. We do not have any discounts so lunch can get expensive. There are refrigerators and microwaves available.

Immunization

A **TB** test will be given to interns before they begin their rotations on September 7th. Interns will also be given a flu shot early this fall. The tests and the flu shot are at no expense to the intern and are mandatory. We are looking forward to a great year. Please feel free to contact either of us anytime with questions or concerns.
