AGENDA & GOALS

LET'S GET TO WORK!

During this 3-week summer session, young adults learn what employers expect, build work-savvy social skills and practice using different forms of transportation. Lessons are applied in real-life situations with opportunities to travel to a local business and work.

WEEK 1

ONLINE

LEARNING LIFE SKILLS THAT WORK AT WORK

JUNE 7-10 / 10:00 to 11:30 AM / ZOOM

Business and community leaders join us online to lead discussions about workplace readiness and self-advocacy. A lively Q-and-A keeps everyone engaged and helps build social skills.

WEEK 2

IN PERSON

GETTING TO AND FROM WORK

JUNE 14-17 / 9:00 AM to 12:00 PM / WASHINGTON PAVILLION

The group will meet in downtown Sioux Falls to learn ways how to travel within a community. We will learn about riding the city bus, using ride-share apps and how to safely walk or ride a bike to work.

WEEK 3

IN PERSON

SKILLS PRACTICE: TIME TO GO TO WORK

JUNE 21-24 / 9:00 AM to 12:00 PM / WASHINGTON PAVILLION

These students and young adults will apply the skills learned in weeks one and two in a real-life situation. Small groups will find their way to a local business and spend time working.

PROGRAM DETAILS

Teachwell Employment Advantage Summer Session is sponsored by the South Dakota Department of Human Services, Division of Rehabilitation Services. Space is limited to 20 individuals with disabilities ages 16-21 who live in South Dakota. Attendees must meet eligibility criteria, but individuals are not required to be registered with the Division of Rehabilitation Services or the School for the Blind or Vision Impaired to participate.

APPLY TODAY

Everyone interested in attending needs to complete an application. Families or teachers may complete applications on behalf of students. We use the information to determine eligibility and to help us plan fun and engaging learning. If you need assistance or have questions, please contact Teachwell Solutions.
